The image is a screenshot of a web page titled "JVET Search". Below the title, there is a horizontal list of author names in rounded rectangular buttons: Sachin Deshpande, Miska M. Hannuksel, Rickard Sjöberg, Robert Skupin, W. Wan, Ye-Kui Wang, and S. Wenger. Below the authors, the title "JVET AHG report: High-level parallelism and coded picture regions (AHG12)" is displayed in bold. Underneath the title, the word "Authors:" is followed by a list of the same author names. Below the authors, the word "ABSTRACT" is visible, followed by a horizontal bar and some partially visible text lines. On the right side of the image, there is a QR code.

CITATION
